VLEX

VLEX nicotine pouches – your gateway to a satisfying nicotine experience. These small, white pouches are designed to be simply placed under your lip, and await the delightful sensation known as the VLEX burst. Within minutes, you'll be immersed in the invigorating effects of nicotine, all without the need to light up or vape.

With VLEX, you can indulge in nicotine anytime, anywhere, without the constraints of tobacco or smoke.

Crafted with utmost care, VLEX nicotine pouches are made from the finest nicotine and food-grade ingredients. The pouch material itself is thoughtfully composed of fibers, ensuring a comfortable and enjoyable experience while effectively delivering nicotine.
